

Community Rescue Mission

Volunteer Opportunities

Contact our Volunteer Coordinator: info@fscrm.org

Thank you for your interest in Community Rescue Mission. Whatever your passion interest or skill, there is a place for you at Community Rescue Mission.

*Background checks are required for all volunteers who work individually with children and adult residents, as required by our insurance provider.

*CRM will provide adequate training for each service area.

- **Telephone**—Volunteers answer phones in the front office to allow our intake coordinator the ability to be where she is needed on campus.
 - **Childcare**—During life skills and for appointments on Tuesday and Thursday. We would like for a group to provide a service tailored to children during that time.
 - **Celebration**—Community Rescue Mission celebrates the birthdays of children in our care. Volunteers may organize and conduct birthday parties for children.
 - **Clothing**—Volunteers help residents obtain clothing from our warehouse.
 - **Transportation**—Background check required. Volunteers are on an as needed basis available to take care of special errands, to pick up donations and to provide a lift to a resident for a special need such as a doctor's visit, or an employment opportunity.
 - **Donation Pickups**—Community Rescue Mission receives donations on Tuesdays and Thursdays.
 - **Prepare Dinner**—Dinner is served to our residents from 5:30pm – 6:15pm
Volunteers preparing dinner should arrive at 4pm. We will provide instructions and ingredients.
-
- Office work/data entry
 - Assist in the kitchen or serve a meal.
 - Conduct a food, hygiene, or coat drive among your friends, group or church.
 - Teach a life skill class
 - Provide professional assistance such as dental check ups
